14th ANNUAL FASHION SHOW & LUNCHEON

St. Vincent's 14th Annual Fashion Show & Luncheon is being held to raise funds for St. Vincent's Family Strengthening Program (FSP). Established in 1996 and located on St. Vincent's campus, the FSP serves homeless, single and/or pregnant at-risk mothers and their children (ages 0-5) by providing up to 27 months of on-site transitional housing, weekly case management and therapy sessions, parental counseling, and job skills training. St. Vincent's also provides FSP mothers with priority access to affordable, high-quality childcare at St. Vincent's Children's Center, to prevent the emergence of any educational achievement gaps in low-income children. Through the FSP, St. Vincent's aims to break multi-generational cycles of housing insecurity, trauma, violence, substance abuse, and childhood abuse/neglect by providing at-risk, low-income mothers with the resources, services, and opportunities they need to become self-sustaining members of the community and to build better lives for themselves and their children. For more information on the essential services provided by St. Vincent's Family Strengthening Program (FSP), please visit our website: <https://www.stvincents-sb.org/programs/family-strengthening/>

St. Vincent's is the oldest, continuously operating nonprofit human service agency in Santa Barbara—providing support, education, and shelter to low-income, at-risk families and individuals in the Santa Barbara area since 1858. Our services have changed through the decades to best meet the needs of our community, evolving from an orphanage and a school, to a home and school for special-needs children, to our current programs that serve more than 600 individuals a day on our 21-acre campus. St. Vincent's provides affordable housing for low-income families and seniors of all backgrounds, transitional housing for homeless single mothers and their young children, and affordable daycare and early childhood education at St. Vincent's Early Childhood Education Center (ECEC).
